WRONG ON BOTH MARKETS.

Broker Caught Long of Wheat and Short  
of Railroads.

The failure of Benjamin F. Raynor, a member of the Consolidated Stock Exchange, was announced on that exchange yesterday. He couldn't settle a difference due the exchange clearing house, and there were sold under the rule for his account about 80,000 bushels of wheat and 200 shares of Missouri Pacific and Atchafalaya. Under the rules, Mr. Raynor has twenty-four hours in which to pay up before his final suspension is announced. On the exchange, it was said that he had been caught long of wheat, which slumped 1 1/2 points yesterday and has been falling for a number of days, and shorts of stocks, which have been going up with equal celerity. A brother, E. F. Raynor, is a member of the New York Stock Exchange.

## BORAXOLOGY

A little BORAX does for water what a little kindness often does for the heart—softens it. The Boraxologist recommends them both.

When you soften water with BORAX you double its cleansing power. You will be surprised to see how much easier and cleaner you can wash things by adding a little BORAX to the water. Use it in the laundry and kitchen, toilet and bath.

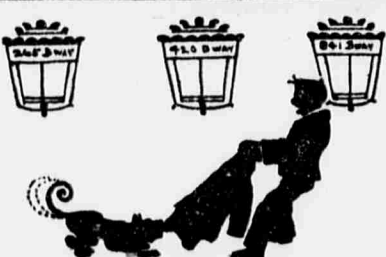

Insist upon having 20-MULE-TEAM BRAND BORAX—it's pure. Sold by Grocers and Druggists, 1/4, 1/2 and 1 lb. packages.

Send a stamp for our wonderful little book, "MODERN MIRACLES," Pacific Coast Borax Co. New York, Chicago, San Francisco.

THE frock coat is certainly the important subject for Easter—that and the trousers to go with it. Some men will wear their frock coat in overcoat form, and call it a Paddock or a Paletot. Everyone said we had the handsomest Paddock (or Paletot) in town last winter—it's honest truth that we had. If you can find one more stylish or better-fitting elsewhere, bring ours right back and no questions asked—no, not one! Here's a quiet wager with you that if you try one on you'll insist on having it—that's the way they sell themselves.

DR. HERRAN HEADED FOR HOME.

Colombian's ex-Charge d'Affaires Arrives  
in This City From Washington.

Dr. Tomas Herran, who has retired as Charge d'Affaires of the Colombian Legation in Washington, arrived in this city last evening from the capital accompanied by his daughter. His wife and one of his sons will follow him here in a few days.

Dr. Herran has closed the legation and, after a rest in this city of about two weeks, will leave for Medellin.

Señor Arturo de Brigard, Consul-General of Colombia in this city, will hereafter act as Charge d'Affaires. It is not likely that Colombia will send another representative to Washington for some time.

Fornes Would Reject Gas Bids.

President Fornes of the Aldermen, who was a member of the Board of Estimate last year when that body voted to reject the bids for city lighting on the ground that they were exorbitant and that there was evidence of collusion, said yesterday that he would fight again this year, on similar grounds, for the throwing out of the bids opened by Commissioner Oakley on Wednesday. The Mayor and the Comptroller decline to say as yet what attitude they will take when the bids come before them.

### More Splendid

Umbrella Specials.—1st Fl.

Scant likelihood there is that such unusually worthy Umbrellas will soon again figure in a sale of this kind. The thousands the sale started with have dwindled to hundreds—and scores and dozens in the more attractive sorts. It's an annual opportunity for supplying a daily need:

\$1.69 for \$2.00—\$2.50 values.  
\$1.97 for \$3.00—\$3.50 values.  
\$2.98 for \$5.00—\$5.50 values.  
\$3.98 for \$6.00—\$7.00 values.  
\$4.98 for \$8.00—\$10.00 values.  
\$5.98 for \$10.00—\$15.00 values.

### Men's Made-to-Order

Shirts.—1st Fl.

We are showing over five hundred distinct patterns in the new Spring Shirts. We guarantee thoroughly excellent workmanship and a satisfactory fit in every case. The prices:

At \$2.94—Shirts of woven madras and percale, light and dark grounds in stripes and neat figures; all our own importations.

### Men's Custom Stock

Dress Shirts.—1st Fl.

Custom Made White Dress Shirts kept in stock, and the sizes so systematically arranged that any man may be fitted on short notice. They are a product of our Custom Shirt Department, on the premises, and they get the same critical attention we give to regular custom orders. They run in quarter sizes, whereas all ordinary stock shirts are in half-sizes. Various sleeve lengths to every quarter size make possible an accurate and comfortable fit.

These Shirts are made of high grade muslin, with best linen bosoms and attached cuffs.

Each \$2.24.

### The Making of Spring Neckwear Values.

1st Fl., 34th St.

Manufacturers make short work of remnants of Neckwear Silks by making them up for us at a special figure. These short length silks invariably are the favored patterns and in wider variety than the average exclusive dealer cares to carry. Hence these shortened prices:

### 75c. Neckwear at 44c.

Handsome Silks, choice patterns, in white, light colors, champagne, brown and gray; styles include English squares, folded squares, French four-in-hands, puffs and tecks.

### \$1.00 Neckwear at 68c.

Fine imported silks, five hundred patterns, made in English squares, folded squares and French four-in-hands; in light and dark effects.

### \$1.50 & \$2.00 Squares 94c

Rich imported Silks, very attractive patterns, in English and folded squares—the finest the maker produces.

### Men's Shirts.—1st Fl.
